NFI Corp. Acquires Wareham, MA-based Design Mark Industries

NEW BEDFORD and WAREHAM, MA, ISSUED SEPTEMBER 26, 2017...NFI Corp. (<http://nficorp.com>), the global leader in high performing printed graphic solutions, has acquired Design Mark Industries (<http://design-mark.com>), located in Wareham, Mass.

The announcement was made by Renaud Megard, president and owner of NFI Corp., who purchased Design Mark Industries from president/owner John Winzeler. Terms of the sale, which was finalized on September 25, were not disclosed.

Design Mark Industries, established in 1971, is a custom touch-screen assembly/supplier of membrane switches and keypads, graphic overlays, labels, functional die-cuts, control panels, and touch screens. The firm additionally provides in-house design, engineering and prototyping services to support OEM customers in contract manufacturing for their products and projects. Industries served by the 46-year-old firm include electronics, medical devices and diagnostics, industrial equipment/vehicle controls, instrumentation, aerospace, government and military, automotive, and lighting and controls.

Design Mark and NFI Corp. will each maintain their separate locations; Design Mark in Wareham, and NFI Corp. in New Bedford. Renaud Megard will serve as president of both companies.

“We are excited to bring Design Mark into the NFI Corp. fold,” said Megard. “Both companies specialize in products and solutions that strongly complement the other, and this new collaboration will make each company stronger.” He added, “John Winzeler and his team have a strong reputation for excellence in the industry, and we look forward to the collaboration that will truly position us as the go-to source in the industries that we serve.”

About NFI Corp. – Nameplates For Industry

Nameplates For Industry, or NFI Corp., was started in 1975 in England, and eventually established a business base in New Bedford, Mass. (which separated from the England location by 1988). The business, which specializes in printing on plastic, started as a screen-printing manufacturer, and has since added digital printing and flexographic printing to its services as a producer of custom, high-performing graphic solutions.

NFI Corp. serves the medical, industrial manufacturing, government/military, professional services, technology and communications, transportation and equipment, and distribution industries, and has clients throughout the United States and globally. NFI Corp. is located at 213 Theodore Rice Boulevard, New Bedford, MA 02745. For more information about NFI Corp., please visit www.nficorp.com, or call 800-999-8900.
